

Indian Association of Cardiovascular-Thoracic Surgeons (IACTS)

KNOW YOUR NEW MEMBERSHIP NUMBER

IACTS membership number is required to facilitate members' participation in IACTS conferences/meetings, nominations, to process/approve (existing) membership registrations, membership ID cards, etc. Kindly ensure you know your new membership number.

Here are the steps involved to search for the new membership number on our website:

1. Go to IACTS website: www.iacts.org
2. Place the mouse on the **Members** menu. Click on the **New Membership Number** from the drop down menu.
3. Scroll down and wait for about three-five seconds for the search field to appear.
4. You will see the search field, a rectangular box, on the right side of the page, just above the new membership number table header, highlighted in light orange colour. (See picture 1: search field circled in red)

5. Type the name in the search box to find the details. It can be the first few letters of your name. Or even the last name, name of the hospital, or mobile number too. However, please remember to provide the details correctly.
6. The membership number has an alpha prefix. That is, it should be preceded by the first letter of the respective membership category. For example, if the membership number is 20002015, it will be preceded by F, L, A or O according to the membership category:
 - a. Fellow: F 20002015
 - b. Life member: L 20002015
 - c. Associate member: A 20002015
 - d. Overseas Member: O 20002015
