- ✚ Dr. Pankaj Punetha - Cardiac Anesthetist
- ✚ Dr. Chittaranjan S.J. - CTVS
- ✚ Dr. Naveen P. - CTVS
- ✚ Dr. Siddharth Amboli - CTVS
- ✚ Dr. Priyanka P. – CTVS

Introduction

IACVTS SCORE an annual ‘Practical Exam Oriented program’ has been conceptualized and executed ‘By the residents –for the residents’ under the guidance of eminent teachers and experienced examiners.

Why SCORE...??

The residents attending the program will have a chance to go through their exam day, the difference being, our teachers and examiners will be guiding them through the entire process.

Uniqueness of SCORE 2019

- Simulation of the CTVS DNB/MCh practical exam day with National DNB/MCh examiners to make students aware of the level of preparation expected out of them during the exams.
- Didactic sessions only for quick revision of the important basics of CTVS course.
- Thoracic surgery study material included with SSSIHMS notes version VI.
- There will be three exams going students on the dais in each session and they will directly interact with the examiners to make the sessions interactive.
- More time allotted to discussions on Xrays, ECHO, ECG, Biostatistics, MACS and Thoracic surgery discussions as demanded by the students and advised by the faculty
